INCLEMENT WEATHER PROCEDURES

In case of changing weather conditions, one or two-hour delays will be used to properly assess road and safety conditions and are subject to change. The decision to close schools or to delay the opening of schools is usually made by 6 AM. For information about changes to school schedules, students and parents should listen to the radio and TV stations listed below. Radio and TV stations decide whether they will broadcast the information when we notify them. Parents will be contacted via the division's Instant Alert System of all closures and delays.
